Fiscal Year 2023 Rates

KanREN Service Rates for July 1, 2022 through June 30, 2023

Only KanREN’s most common services are listed, please contact KanREN for customized solutions for your organization

Membership

KanREN is a membership consortium. Membership is required for participation.

Membership Fee \$504/year

Network Connectivity Services

Backbone Member Broadband Connectivity

Backbone member connectivity is based on class-wide cost recovery. Individual institutional fees are the combination of a base fee and an institutional fee derived from multiple IPEDS data sources. Backbone member fees are not based on consumption or individual port speed.

Base Connectivity Fee \$11,250/mo
 Institutional Fee Variable

Secure Broadband Connectivity — Standard Package Bandwidth Levels

Prices listed are for our standard tier service terminated at a KanREN backbone POP. Members may provide their own connectivity to the backbone, or can be provided by KanREN. Included features in *all* tiers:

Port	Bandwidth	All-Inclusive Secure Broadband	Common Features
1Gbps	100Mbps	\$930/mo	<ul style="list-style-type: none"> • Live Human Technical Support • DDoS Scrubbing • Internet2 National R&E Network • Vulnerability Scanning • Akamai ETP DNS Basic Threat Protection* • AWS Direct Connect** • Azure Express Route** • Direct Access to Content Delivery Networks • Direct Access to peering exchanges
	200Mbps	\$1,070/mo	
	300Mbps	\$1,150/mo	
	500Mbps	\$1,280/mo	
	1Gbps	\$1,530/mo	
10Gbps	2Gbps	\$2,025/mo	
	3Gbps	\$2,225/mo	
	5Gbps	\$2,425/mo	
	10Gbps	\$3,625/mo	

* Standard configuration — per-site customization/configuration extra

** Best effort

Standard service discounts

Passive Support: -\$420/mo
 Redundant Connection/Additional Locations: -\$90/mo

Network Protection Services

KanREN's network connectivity services, comprehensive network protection services are also available. Both Unified and Enterprise Threat management include firewall, content filtering, IDS/IDP, site-to-site and on-demand VPNs and more. Contact KanREN for more details about these highly integrated, comprehensive security solutions.

Installation	ICB
Managed Security	
Cloud-Based	ICB
Up to 5Gbps	\$342/mo (36 mo req'd)
Akamai ETP-Advanced Threat	ICB - customizable

Cloud Networking Services

Specifically available for members with multiple campuses or attendance centers connected via the KanREN network. Cloud networking allows KanREN members to maintain all of their locations in a single administrative domain, but eliminate backhaul costs over expensive access circuits to a "main location".

Cloud-Based Networking	ICB
------------------------	-----

NET+ Services

KanREN NET+ Services are services that do not specifically require, but are enhanced by KanREN network connectivity. Please check with KanREN for updates and services that may not be listed here.

The StormCellar

KanREN's near-real-time cloud based storage solution can be accessed with NFS, SMB/CIFS, AFP or iSCSI. The StormCellar is hosted on the KanREN private network.

StormCellar - File-Based	\$20/200GB/mo
StormCellar - Block-Based	\$20/200GB/mo

Virtual Machines

KanREN virtual machines are hosted on KanREN's VMware clusters in Kansas City and Wichita. Custom configurations may be available on an individual case basis if sufficient resources exist.

Small	(1VCPU, 1GB VRAM, 40GB storage)	\$25/mo \$300 one-time
Medium	(1VCPU, 2GB VRAM, 80GB storage)	\$45/mo \$300 one-time
Large	(2VCPU, 4GB VRAM, 160GB storage)	\$90/mo \$300 one-time
Additional Storage	(per 40GB)	\$8.50/mo
Other Configurations		ICB

Zoom Videoconferencing

KanREN manages state-wide licensing for Zoom videoconferencing, and supplies direct support for Zoom services. Services are hosted in the Zoom cloud, but have enhanced quality and reliability with KanREN network connectivity.

Pro Account (20 minimum)	\$1.10/mo
HIPAA Pro Account (20 minimum/Increments of 10)	\$16.29/mo
CRC (Cloud Room Connector)	\$42.17/mo
Zoom Room	\$42.17/mo
Webinar 500	\$58.17/mo
Webinar 1000	\$293.25/mo
Webinar 3000	\$834.90/mo
500 Participant add-on	\$51.75/mo
1000 Participant add-on	\$91.05/mo
Cloud Storage 1TB	\$151.48/mo

Additional Support Services

Technical Consulting (1 hour minimum)	\$150/hr
Emergency Technical Consulting** (1 hour minimum)	\$200/hr
Enterprise Network Operations Support (pre-paid support - 25% discounted)	\$150/mo

** Emergency Technical Consulting is for issues that must be addressed immediately and cannot be scheduled for a future time to balance KanREN staff workloads.
